

INNOVATION AND SUSTAINABLE PROGRESS

CSEM is a private, non-profit Swiss research and technology organization focused on generating value for a sustainable world.

MORE ABOUT CSEM

OCTOBER 4

TECHNOLOGIES FOR A BRIGHTER WORLD | BERN (CH)

CSEM Events

Business creation and implementation of high-end technologies in real-world environments – together making a contribution in the service of everyone. With the special participation of

Peter Maurer (ICRC (<https://www.icrc.org/>)), Klaus Schönenberger (EPFL (<https://cooperation.epfl.ch/essentialtech-en>)), and Arturo Vittori (Warka Water Inc (<http://www.warkawater.org/>)).
