

ALUMINUM CONVEYOR SYSTEMS

The standard conveyors from FlexLink are based on an aluminum conveyor beam with low friction slide rails guiding a plastic multi-flexing chain. (<https://www.flexlink.com/en/home/products-and-services/aluminum-conveyor-systems>)

THE SMART FACTORY BLOG

Read our blog about industrial automation! (http://blog.flexlink.com/?utm_source=flexlink-site&utm_medium=home-box&utm_campaign=blog)

CAREER

Do you want to join our team? We are always looking for talents. (https://www.flexlink.com/en/home/people/join-us?utm_source=home-box&utm_campaign=eb)

Online Store (https://webapp1.flexlink.com?language=en_US)

View product catalogues (<https://www.flexlink.com/en/home/support/technical-library/technical-library-search?searchkey=&doctype=Catalogues>)
