

OUR ACTIVITIES

Innovative mechatronic solutions for higher productivity

Stäubli is a global mechatronics solution provider with three dedicated activities: Connectors, Robotics and Textile, serving customers who want to increase their productivity in many industrial sectors. We are an international group that currently operates in 29 countries, with agents in 50 countries on four continents. Our global workforce of 5000 shares a commitment to partnering with customers in nearly every industry to provide comprehensive solutions with longterm support. Originally founded in 1892 as a small workshop in Horgen/Zurich, today Stäubli is an international group headquartered in Pfäffikon, Switzerland.
