WORKING AT FRONIUS

BERNHARD STRASSER, TECHNICAL SUPPORT PERFECT WELDING ASIA PACIFIC & LATIN AMERICA

“As I had always been interested in technology, I decided to join Fronius as an apprentice 27 years ago. For the past 15 years I have been part of the Technical Support team. I love my job as it allows me to combine my passion for technology with my interest in experiencing new cultures; I spend a lot of time travelling around Asia and Latin America. The job is also extremely varied and no two days are the same. I also appreciate the comprehensive training options that are open to every employee.”
