

## Coating systems for automotive industry

Mathis AG supplies high quality coating systems for automotive industry.

[DE] (</DE/index.php>) [EN]

# Welcome at Mathis AG

Plant and mechanical engineering in the dyeing and coating sectors for standard laboratory and production equipment and customized system solutions.

## News:

### **The Battery Show 2018**

Novi, Michigan, USA

Booth 1944

11 - 13.09.2018

(<https://thebatteryshow.com/>)

### **ITMA Asia 2018**

Shanghai, China

Hall H6, Booth C02

15 - 19.10.2018

(<http://www.itmaasia.com>)

*We product coating and coloring instruments for:*

### **Automotive**

In the automobile industry increasing efforts are being made to develop alternative production methods. » **Details**

### **Chemical industry**

The needs of the chemical industry are extremely varied - Mathis has the system competence for your

### **Pharmaceutical industry**

Transdermal therapeutic plasters and oral film tablets are important for
