American  
Gear Manufacturers  
Association

EES KISSsoft GmbH is a Swiss engineering consultancy, focusing on gear and gearbox design.

EES approach is to provide our customers with:

- Engineering services
- Education
- Software

Our areas of expertise include:

- Gear design, optimization and analysis
- Calculation of slewing bearings
- Flexpin design
- Certification assistance
- Test planning, witnessing and reporting

Furthermore, EES KISSsoft GmbH represents KISSsoft products in Asia, together with local partners in Korea, India, China and Japan.
