# SCHNEEBERGER SWITZERLAND - Linear technology – "Essentials for the Best"

SCHNEEBERGER <sup>®</sup> Lineartechnik is now one of the leading names when it comes to groundbreaking innovations in the field of linear technology.

SCHNEEBERGER <sup>®</sup> serves original equipment manufacturers operating (OEM) in various industries worldwide – from machine tool (https://www.schneeberger.com/en/ch/industries/machine-tool-industry/), solar technology (https://www.schneeberger.com/en/ch/industries/solar-industry/) and semiconductor technology (https://www.schneeberger.com/en/ch/industries/semi-conductor-industry/) to electrical engineering (https://www.schneeberger.com/en/ch/industries/semi-conductor-industry/) and medical engineering (https://www.schneeberger.com/en/ch/industries/medical-technology/) and others. Linear bearings (https://www.schneeberger.com/en/ch/products/linear-bearings-and-profiled-guideways/linear-bearings/), profiled linear guideways (https://www.schneeberger.com/en/ch/products/linear-bearings-and-profiled-guideways/), measuring systems

(https://www.schneeberger.com/en/ch/products/measuring-systems/), gear racks (https://www.schneeberger.com/en/ch/products/gear-racks/), slides

(https://www.schneeberger.com/en/ch/products/slides-and-miniature-tables/), positioning systems (https://www.schneeberger.com/en/ch/products/precision-positioning-systems-motion-systems/) and mineral casting (https://www.schneeberger.com/en/ch/products/mineral-casting/) are all part of SCHNEEBERGER's product and manufacturing range. A.MANNESMANN (https://www.amannesmann.de/2english/frames2-start.htm) has been part of the SCHNEEBERGER Group since October 2017. A.MANNESMANN is a leading supplier for the production of ballscrew drives, telescopic actuators and drill spindles. werotec ag (http://www.werotec-ag.ch/), headquartered in Reigoldswil, Switzerland, has also been part of the SCHNEEBERGER Group since early 2018. werotec ag's core competence lies in precision grinding technology and in the complete production of antifriction bearing rollers.
